

Mission Statement

“Learning and growing in the light of the Gospel”

Our vision at Grace Dieu Manor School is based on the traditions of the Catholic Church and on the philosophy of Antonio Rosmini, the founder of the Institute of Charity.

Rosmini believed that real education must develop the whole person, so he focused on the following five areas which he believed must be at the heart of the school mission.

Intellectual Development	<i>to encourage minds and academic excellence;</i>
Physical Development	<i>to promote a healthy lifestyle;</i>
Moral Development	<i>to ensure that pupils mature into responsible, caring adults;</i>
Spiritual Development	<i>to assist the formation of personal beliefs;</i>
Aesthetic Development	<i>to promote an appreciation of the arts.</i>

Aims

To create a community which recognises each individual as a unique part of God’s creation, nurtures a sense of value and self-image and fosters supportive and caring relationships.

To develop our pupils through the provision of a broad and balanced curriculum which is responsive to and supportive of their needs and aspirations, promotes intellectual curiosity and academic achievement and encourages them to grow to their full potential.

To expect our whole school community to show courtesy and respect at all times and to avoid any form of adverse discrimination.

To look to all at Grace Dieu, whatever their role, to share and promote these aims.
