

GRACE DIEU MANOR SCHOOL NEWSLETTER

1st September 2016

Dear Parents and Guardians,

So the new term and academic year begins on Monday...

It has been a hive of activity here as we make the final preparations for the children. The positivity and enthusiasm among the staff is palpable and contagious. Everyone is so excited about our new journey.

Great news in that our alpacas and chickens arrive today (Friday) which will bring a smile to everyone's face. We thought the alpaca's names should be chosen by the children—names beginning with 'A' perhaps ?!

I am really looking forward to welcoming parents and pupils back on Monday.

Peter Fisher, HEADMASTER

GET READY FOR OUTDOOR LEARNING!!

Exciting changes have taken place within our School Curriculum. Outdoor Learning lessons will now take place every week for at least one hour for each child from Swans to Year 6! Can all children please ensure that they have suitable outdoor clothing in School. They will need to change into old clothes (not Grace Dieu PE kit): a long-sleeve top and long leg trousers (please no shorts or T shirts), wellies or outdoor shoes, waterproof trousers and top as per the uniform list for wet weather please.

Thank you—Mme Tatton
